If, in the following Postscript, I deviate a little from the rule of the preceding pages, by introducing a few short Latin sentences, You will, I trust, excuse it, and impute it to a persuasion, with which the profound reflections of the Prefaces to your Plays have impressed me, that you cannot altogether be unacquainted with the Latin language. I have said, in the preceding pages, that the controverted verse of St. John possesses a combination of positive evidence, internal and external, which gives it, in my opinion, a decisive preponderance of proof over all the negative evidence of MSS. , Versions, and Fathers. In saying this, I confined myself to the MSS. from which the Greek text of the passage was first printed by the Complutensian Editors, and by Erasmus in his third edition, and to the Montfort and Ottobonian MSS. , now...
