Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The Inner Way - The Power of Prayer and Belief in Spiritual Practice is a rare treasure. Focusing on the traditional role of prayer in Western spiritual practices and its esoteric application, the inner method of prayer is revealed in detail along with theurgy - or the secret esoteric art of ritual prayer used by the Martinist and Rosicrucian societies. A detailed theurgic ritual to guide those new to this ancient art and practice is included along with a look at the magical use of the Psalms in traditional healing and folk magic from both French and German sources. The critically important role of belief, including the power of suggestion, is made clear so that students of The Inner Way will learn how to turn their doubts into confidence and their confidence into results - results that will lead to both temporal happiness as well as spiritual Illumination. As one reviewer stated, This book picks up where The Secret left off and tells us the real secret behind spiritual practices. A true blessing for those who read it and apply its teachings.
