Reviews

It is one of my personal favorite publications. It is actually really fascinating through reading through period of time. It has been printed in an extremely basic way in fact it is just after I finished reading through this ebook by which basically transformed me, change the way in my opinion.

IMPLEMENTING PHYSICAL PROTECTION SYSTEMS: A PROJECT MANAGEMENT GUIDE (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Implementing Physical Protection Systems - A Project Management Guide is the anticipated follow-on to the Author's first book Implementing Physical Protection Systems - A Practical Guide which is used as a reference text for the ASIS International's Physical Security Professional (PSP) certification program, the International Association of Professional Security Consultants (IAPSC) certification examination, and the Security Industries Association's (SIA) Certification in Security Project Management (CSPM). Security practitioners worldwide will find it to be a valuable desk reference on project management and implementation of physical protection systems. This book is an appropriate text for college and CTE (career and technical education) courses related to physical security such as those offered by the International Security Management Institute (ISMI). ISMI is a global security management association connecting professionals. Membership of ISMI is currently exclusive to those who have completed the Certified Security Management Professional (CSMP) Level 6 Accredited Diploma. CSMP programs are conducted through distance learning over the internet and begin typically every two months. (ISMI) uses this text as a core requirement for their prestigious Certified Security Management Professional (CSMP) Certification. It is a comprehensive reference for candidates pursuing a certification in physical security. Examples of project management documentation for all phases of the project are presented.
