Higher Education, Innovation Entrepreneurship in Focus

By Office of Innovation and Entrepreneurship, National Advisory Council on Innovation, U S Department of Commerce

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.America s innovative and entrepreneurial culture is often regarded as one of this country s greatest national advantages in an increasingly competitive world. This innovation infrastructure includes a large number of universities and colleges, research institutions, laboratories, and start up companies all across the United States - from major cities to rural areas. Every day, these institutions, often in partnership with federal agencies, develop breakthrough technologies in the life sciences, energy, telecommunications, information technology, education, social innovation, and other areas. This, in turn, has attracted many of the world s best and brightest people to pursue careers in RD and innovation in the United States. Many of these same minds become leaders and entrepreneurs across the nation - creating cutting-edge innovation products and services and building our great companies. As other nations increasingly compete with the United States for leadership in innovation, America s colleges and universities are doing their part to maintain our leadership and to nurture more innovation, create processes and programs to commercialize that innovation, and promote entrepreneurship as a viable career path for students....
