What Your Doctor Won't Tell You-Why Herbal Antivirals Really Work! Have you ever suffered from a viral infection? If you have, it's certainly an experience you won't forget. Whether in your own country or disastrously struck down mid-vacation, you likely wished that you'd taken an anti-viral shot, or at least a course of medication. Your thinking is correct-but synthetic medicine isn't your only defence! The truth is that there are natural remedies on the market-and in your back yard-that you can use today to fight the same bugs just as effectively without all the aching symptoms of traditional western medicine. Herbal Antivirals shows you how to properly prepare, dose and take these natural medicines yourself-and you can even grow them in your garden! Not only you can save hundreds, even thousands of dollars, you're also lessening your impact on the environment while treating yourself with natural ingredients that you have sourced yourself. In this book, you'll discover that creating your very own herbal antivirals isn't complicated. You can easily teach yourself to treat viral infections with natural medicines that give your body what it NEEDS, without the excess chemicals. With the 45 most valuable herbs comprehensively indexed for creating potent natural antibiotics and herbal antivirals, this is a book that helps you become your own doctor. Fully illustrated with pictures, as well as details on common use, preparation method and dosage, knowledge is finally at your fingertips. Remedies for the most common ailments and recipes are included as a BONUS, as well as a FAQ to answer your herbal antiviral questions. What will Herbal Antivirals teach you?
