CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 74 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. Greetings witches, monsters and assorted creatures of the night. In your ghost host Summer Vandergilt, and my project Brews and Booze is a collective of creepy inspired cocktails. From twists on classic recipes to spooky original recipes, my book is sure to delight avid mixologists, recipe fiends and those who go bump in the night. I've always been inspired by witches, spells and the idea of magick since childhood. Halloween is my favorite holiday and most of my favorite reads are about witchcraft or vampires. While developing a taste for high quality liquor and craft cocktails in my early twenties, I decided on a creative way to combine my loves into something I could share with others who have similar interests. A spellbook full of potions and elixirs to get the celebration going. This item ships from La Vergne, TN. Paperback.
