Random House USA Inc, India, 1998. Paperback. Condition: New. Language: English . Brand New Book. The best-selling authors of Men Who Can t Love and What Smart Women Know get to the heart of the real relationship issue of the nineties for both men and women -- the conflict between commitment and freedom. Available for the first time in paperback, this follow-up to the phenomenally successful Men Who Can t Love tackles the issue of commitmentphobia, that persistent obstacle to truly satisfying contemporary relationships. Authors Steven Carter and Julia Sokol explore why modern men and women are torn between the desire for intimacy and the equally intense need for independence. Drawing on numerous interviews and real-life scenarios, and written with humor, insight, and the kind of wisdom gained by personal experience, He s Scared, She s Scared offers guidance for all of us who want genuine, sustained intimacy with our romantic partners. The authors achievement is that they have gone beyond the obvious avoidance patterns to uncover the more subtle ways men and women sabotage love. -- Publishers Weekly.
