Top Drawer Publishing, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Here are the first two books of the Cole Twins Saga in one volume. Translated from both the unicorn and rook languages and verified through the parchment scrolls of wizards found in the archives of the University of Mu, this is the most accurate telling of this tale to be found on Earth. Here is the pivotal tale of Aunan Alderbrook and her trusty woodling companion Tabber, the tale of the quest that turned the tide of darkness with light: The woodlings, benevolent protectors of the last enchanted forest, are dying. Magic drawn from the power of good in the world is failing due to war. An orphaned girl imprisoned in the tower of the wicked High Lord, escapes with the help of a clandestine coven of witches. Finding the enchanted forest, she discovers the first of seven mystical keys created by a god-like dragon, each key representing one of the great powers of true magic - compassion, courage, charity, hope, faith, sacrifice and love. With the help of a woodling companion she begins a quest to gather all of the keys. As Aunan journeys through a world rich with mystery, beauty, horror, and legend, her mind, body and spirit are tested. Helped and hindered along her journey by enchanted beings and demons, Aunan faces obstacles at every turn on her quest for the magical keys. Pursued by Akvan trackers, demons sent by the evil High Lord, it is the determination and virtue of Aunan, as she enters into realms of illusion, reincarnation, and spirituality, that brings hope to the people of Azmerith that the magical keys will be found, united, and their magic renewed. Yet finding the keys and saving...
