

Matthew Murray: Ska: Photos from the World Press Photo Laureates from Russia and the Soviet Union, 1955-2013 (Paperback)

By Addie Vassie

Schilt Publishing b.v., Netherlands, 2013. Paperback. Condition: New. Language: English . Brand New Book. Jack is twenty-years-old, I found him interesting because in a time where most young people his age are into social networking and popular culture, Jack is totally into the Ska scene. He immerses himself completely in this sub-culture, despite the fact that he gets quite a bit of stick from Nazi Skinheads about the way he looks and the fact that neither he nor the other subjects share their same racist views. Since achieving a Masters Degree with distinction in Documentary Photography, British photographer Matthew Murray has managed to successfully combine commercial commissions with his own personal projects. In this third Grey Matters, Schilt Publishing shows his latest and striking personal work: Ska. Ska, is a music genre that originated in Jamaica in the late 1950s, as a precursor to Rocksteady and Reggae music. In 1960 the first Ska record was cut and with the migration of many Jamaicans to the United Kingdom. Ska was picked up by many of the white working class kids when these West Indian immigrants moved into, then predominately, white neighborhoods. By the late 1960s it became popular and driving force..

Reviews

Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author publishes this publication.

-- **Dr. Marvin Deckow**

A must buy book if you need to add benefit. I am quite late in starting reading this one, but better than never. It has been designed in an exceptionally easy way in fact it is only after I finished reading this publication where in fact it modified me, altered the way in my opinion.

-- **Prof. London Gerlach**
