POCKET BOOKS, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. Is a little time alone with the man you love too much to ask? Well, it may be--when you re Persephone Alcmedi, Lustrata of the witches, and your lover is Domn Lup of the waerewolves. For once, however, the disturbance is not Seph s foster daughter, Beverly, her wacky grandmother, or her newly rediscovered mother. This time, it s the ancient and incredibly sexy vampire Menessos, bearing bad news: because the vampire council fears he is plotting a power grab, Menessos is being hunted by a trio of truth-seeking vampire sisters so dangerous they are usually kept locked in stone. His dreams imperiled, Menessos needs Seph more than ever . . . and she needs him. Now, Seph has magical promises to fulfill for the waeres, multiple mundane family challenges to meet, vampire politics to confront . . . and into the bargain she s balancing two sexy supernatural males. It s enough to drive any woman insane, especially when you throw in a dragon and--even worse--a government investigator. As danger threatens, Seph isn t sure she can stay alive for the rest of the day . . . let alone long enough to accomplish all that needs to be done.
