Reviews

Without doubt, this is actually the greatest work by any writer. It is actually written in simple terms instead of confusing. I found out this ebook from my i and dad recommended this pdf to understand.

iUniverse, United States, 2012. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.There are many reasons to invest, and the two foremost are to stay above the eroding entity of inflation and to achieve financial goals. In Market Muscle, author and licensed financial advisor Thomas Peterson reveals Wall Street s hidden secret--how to make money safely and lucratively using the covered call option with exchanged traded funds and protective puts. Market Muscle discusses increased cash flow, double - digit returns, capital appreciation, dividends, and downside protection. Peterson presents a basic overview on options, exchange traded funds, protective puts, and the information necessary to become a covered call master. Through step-by-step guidance, illustrative stories, and end-of-chapter quizzes, Market Muscle presents the how and why strategies behind using the covered call. It shows how investors can beat the market, enhance return, experience capital gain opportunities, earn generous weekly or monthly income, gain instant diversification, and control risk using this little-known but powerful investment vehicle.
