Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Late Whistle, A Basketball Fairy Tale is the story of seven young boys and a basketball coach in New York City who dream, one day, to play in the NCAA tournament. They become the finest high school basketball team in the country, but due to the temptations of the streets, some of the boys go to jail, and none go to college. Fast-forward twenty years. their coach, now coaching in a small D-1 college in the Bronx, is given an ultimatum to keep his coaching position: either get a bid to the NCAA tournament or lose his job. The boys, now in their late thirties with families and careers, decide to help their old friend by enrolling in college and trying out for the team. The team, a mix of young players and almost-40 year old men, garner world attention and eventually meld into a formidable group who learn how to dream again. And then things falls apart. The pressure that comes with conference championship play and a possible NCAA tournament bid is overwhelming for the team. When the world, including family and friends, find out about the boys dark past and why they never went to college, they are faced with a choice on how to handle this adversity. This story is about people stretching themselves to do what s right and to correct the mistakes of their past. It is a story of reaching deep to see a dream come true. The theme is human nature, second chances and inspiration. And it s about basketball.
