Start thinking of yourself as the head of a small business called You and Co., and view employers as potential customers. That's the key to a successful career. That all very well, but how? No one is better at explaining the new world of work better than William Bridges, inventor of the term You and Co. In *Creating You and Co.*, he provides workers with a practical guide to overcoming the employment trends illuminated in his bestsellers *Managing Transitions* and *JobShift*. By learning that approach you can cement your value to your current employer, shape a new job for yourself, actually start a small company, or blaze your own path. No matter what shape your You and Co. takes, we will all need to learn the *Creating You and Co.* approach to prosper in the...
