Realistic Village Vignettes is the fifth book created by Village Display Tips, resources for collectors of miniature porcelain and ceramic villages. These books, as well as five Village Scaping DVDs, provide creative ideas and techniques to develop and enhance any village display. Whether creating an individual vignette or a mega display, there are hundreds of ideas included to improve any miniature village setting. For many collectors, lack of time and space has become a major challenge. Thus, a different solution to displaying favorite village pieces in small places has been sought. Realistic Village Vignettes - Book 1 of the Village Vignette Book Series - is a compilation of numerous village collectors from around the United States and Europe. The second book in the series is entitled Stylistic Village Vignettes. They both concentrate on placing a single building or a series of related pieces into realistic or stylistic settings. Realistic Village Vignettes is based on natural settings. It offers several easy to create landscaping techniques to form actual scenes surrounding a prized village piece or pieces. There are also numerous water development treatments such as the creation of an icy stream, a rocky coast, or a sandy beach surrounded by rocky cliffs; plus numerous others ways to form a water scene. Backgrounds are a pleasing addition to a realistic vignette. They can substantially enhance a setting, whether the builder has an artistic talent or not. Realistic Village Vignettes provides insight into adding backgrounds to a vignette. There are numerous ideas to effectively condense a realistic display into a small footprint. Or, several individual vignettes can be coordinated and unified into a single display. Scatter several small vignettes throughout the house as...
