

Fessenden: Builder of Tomorrows (Classic Reprint) (Hardback)

Filesize: 2.68 MB

Reviews

This ebook is definitely not straightforward to start on looking at but really enjoyable to learn. It usually will not charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Karianne Deckow)

FESSENDEN: BUILDER OF TOMORROWS (CLASSIC REPRINT) (HARDBACK)

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Fessenden: Builder of Tomorrows To the world of Today and the World of Tomorrow, worlds alike benefited and enriched by the life of Reginald A. F essenden, I give the man himself. That the mind which conceived the correct theory of wireless transmission, which invented the Wireless Telephone and with it accomplished the first Broadcasting, which invented and developed the Fathometer and all it implied, that this mind failed to defend itself against commercial assault, whether financial or scientific, is an inescapable fact. For this fact I make no apology. Mine is the setting forth of factual data, an indication of trends, not the indictment of any man or group of men. Without a straightforward account of certain legal encounters, the life of my husband would be but partly told. The outcome of these encounters is a matter of court record which he who runs may read. It is however not by court decisions but by his work that the man will be remembered. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
