## BIOETHICS: 6 VOLUME SET (HARDBACK)

Cengage Learning, Inc, United States, 2014. Hardback. Book Condition: New. 4th annotated edition. 528 x 353 mm. Language: English . Brand New Book. Is denying a patient medical care ever justified? Should patents on living organisms be permitted? When does consciousness begin in human being? Are there circumstances under which people should be sterilized? Questions such as these and others are the basis of assignments, debate topics, and life and death decisions people face everyday. They are aspects of a broad and dynamic field called Bioethics. Bioethics is the where ethics right and wrong intersect with biology, medicine, biotechnology, politics, law, religion and philosophy. It encompasses issues of profound importance to students, faculty and laypersons. Yet balanced, objective information free from business, political or religious agendas is hard to come by. The encyclopedia used a basic conceptual framework involving 3 clear steps to explore, understand, and address key issues and questions; these are Identifying applicable moral principles, ideals, or standards; Assessing current practice or behavior in light of principles; And suggesting policies or procedures to bring practice into line with principles. With its initial publication in 1978, Bioethics became the first reference to focus solely on a then burgeoning field, in effect helping to define the discipline. Both the first and second (1995) editions won the Dartmouth Medal, and the set remains the standard reference on bioethics for teachers, students, and those in related fields of health care, philosophy, environmentalism, law, and religious studies. The fourth edition offers hundreds of revisions or addenda to entries from previous editions as well as over 100 new or rewritten entries on topics such as key cases in bioethics, the human biome, genetically modified foods, emergency preparedness and response, social justice, sustainability, chemical warfare and torture, among many others. Revised articles will explain the...
