Excerpt from American Planning and Civic Annual, 1956: A Record of Civic Advance in the Fields of Planning, Parks, Housing, Neighborhood Improvement and Conservation of Natural Resources, Including Addresses Delivered at the National Citizens Planning Conference The National Citizens Planning Conference presented a session on Thirty Years of Planning in the Federal City, and a Look into the Future, at which Charles W. Eliot 2d and John N Olen, Jr. Received citations for service to the Federal City, and John T. Howard delivered a notable address on A Planner s Philosophy for the National Capital Region. All of this material was presented in full in planning and CIVIC comment and therefore will not be repeated in this annual. It was on this occasion also that the American Planning and Civic Association cooperated with the American Automobile Association in attending the Pioneer Dinner, at which the National Park Service s Program for Mission 66 was launched. This program has also been presented in planning and CIVIC comment. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
