Outskirts Press. Paperback. Condition: New. 228 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. K9 Commando. . . An inspiring story that delves into the life of the silent detectives and four-legged crime fighters serving the Police, Special Forces (Commandos) and the Army. We can enrich our own appreciation of life via the great K-9 dogs of Europe and the United States of America whose help, extraordinary scent receptors and selfless heroism are indispensable to humanity. The insightful stories are heart breaking and exciting at the same time. With K9 Commando readers will discover stories never told before to introduce them to an unknown depth of human and canine relationship, where passion, danger, tears and humor dominate. . . This book is the chronicle of a mystical relationship, of love, selflessness and heroism. A relationship that can only exist between man and dog. And why is this book different from other similar books With her twelve true stories, ninety color photographs the author offers an intimate journey into the lives of dogs and their owners made unique by her writing style and voice. Most likely her unique thought-provoking voice is the reason why the English language Facebook page of the Hungarian journalistwriter has accumulated more than 107, 000 followers from the United States in a short period of time. Hungarian critiques say about the books of Violetta Kovacs that she is fluent in the language of dogs. American readers must have the same impression from the authors comments and that could be the reason for many to follow her posts every day. Her readers have come to like the strong emotional contents of the stories; the same trait that characterizes the book. Another important consideration is that this is the first book published in the US market which, besides the American K-9...
