power system protection principles

By ZHU XUE LING ZHU GENG HUI ZHU YONG SHENG ZHANG YANG XIE

paperback. Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Pages Number: 238 Publisher: China Electric Power Press Pub. Date :2009-09. This book includes introduction . unilateral power networks asked the short-circuit current and voltage protection. bilateral direction of the power network current phase short-circuit protection. ground fault protection grid. the grid distance protection. pilot protection transmission lines. automatic reclosing. power transformer relay . generator relay protection. busbar protection. computer protection. Contents: Preface 1 Introduction 1.1 The concept of power system protection. task and role requirements 1.3 1.2 pairs relay and relay protection devices of the basic principles of composition 1.4 1.5 A Brief History of relay protection relay characteristics of the course 2 unilateral exercises and reflection questions the current phase short-circuit power supply network voltage protection 2.1 2.2 current protection relay used unilateral power network phase short circuit current trip protection of the basic concepts and types of non-time trip current 2.3 2.4 2.5 time limit current protection set 2.6 time over-current protection voltage. current chain of instantaneous protection exercises 2.7 and three-current protection device sides thinking questions 3 phase power network protection short-circuit the direction of the current...

Reviews

This composed publication is fantastic. This is certainly for all those who statte that there was not a well worth reading through. You will not truly feel monotony at whenever you want of your respective time (that's what catalogs are for regarding when you ask me).

-- Prof. Mark Ratke Jr.

Undoubtedly, this is the best work by any author. It is really simplified but shocks within the 50 % in the publication. Its been written in an extremely straightforward way and is particularly just following i finished reading this publication by which basically altered me, modify the way in my opinion.

-- Vivianne Dietrich
