Reviews

Thorough manual for pdf lovers. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Diseases and Deformities of the Foot With regard to the feet, however, much of the treatment is so simple that the general practitioner can and should assume the responsibility of preventing deformities, correcting abuses and those conditions which have already occurred and treating minor diseases of the bones and joints. Many painful and disagreeable conditions, such as chilblains, corns, ingrowing toe - nail, painful heel, excessive sweating of the feet, etc., may be cured by simple measures, and these, as well as the operations for severer complications, are herein fully described and amply illustrated.
