

## Nuts About Death

By Leslie E. McCourt

Xlibris. Paperback. Book Condition: New. Paperback. 110 pages. Dimensions: 8.8in. x 5.8in. x 0.4in. This story is a murder mystery that takes place in a small New England town in the year 2006. The main character is a single woman in her late thirties named Maddy Timmons, who is a second-grade teacher at Layton Elementary. As summer vacation draws to a close, Maddy heads in to school on Tuesday to prep her classroom and finish last-minute projects before the teacher workshop day on Thursday. Upon arriving at the mostly empty building, she discovers the principal lying dead in the janitorial break room. Maddy's assumption that the principal died of an accidental allergic reaction to peanuts is quickly replaced with the knowledge that there was nothing accidental about it at all. The police detective investigating the case is Anita Monroe. Anita's daughter had been a student in Maddy's second-grade classroom the year before, so the two women know each other, and the mutual respect and trust between the two takes root right away. As Maddy sets about the routine of preparing her mind and her classroom for the coming school year, she meets and talks with several people, including other teachers, the...
