Anchor Books, United States, 2014. Paperback. Condition: New. Reprint. Language: English . Brand New Book. From the #1 New York Times bestselling author of *The Handmaid's Tale* In this final volume of the internationally celebrated MaddAddam trilogy, the Waterless Flood pandemic has wiped out most of the population. Toby is part of a small band of survivors, along with the Children of Crake: the gentle, bioengineered quasi-human species who will inherit this new earth. As Toby explains their origins to the curious Crakers, her tales cohere into a luminous oral history that sets down humanity's past--and points toward its future. Blending action, humor, romance, and an imagination at once dazzlingly inventive and grounded in a recognizable world, MaddAddam is vintage Atwood--a moving and dramatic conclusion to her epic work of speculative fiction. A New York Times Notable Book A Washington Post Notable Book A Best Book of the Year: The Guardian, NPR, The Christian Science Monitor, The Globe and Mail A GoodReads Reader's Choice.
