Reviews

This is the finest publication we have read through right up until now. Better then never, though i am quite late in start reading this one. Its been written in an remarkably easy way in fact it is only after i finished reading through this book by which basically altered me, affect the way i think.

Trading Against Customers Orders. Legislation should be devised which will require of brokers the execution of orders given them so that, whether purchases or sales, they shall be purchases from or sales to independent persons, and so that in no case shall a broker employed to buy for his customer be the seller on his own account, or as broker of some other principal of his own without disclosure of the fact. If there are cases in which, because of the peculiarity of the stock and the dealings in it, a purchase cannot be made excepting through acquiring the stock of another principal of the broker, those exceptional cases should be defined with precision. It has been charged that there has been a practice on the part of some brokers of selling for their own account the same stocks that they have been ordered to buy for their customers contemporaneously with the execution of the orders on behalf of their customers. Such transactions, of course, amount to a virtual bucketing by brokers of the orders of their customers. They come within the same principles that lead to the condemnation of bucket shops. They are obviously unjustifiable, and should...
