

Business Management (A Brief Expose)

By Jacob W. Chikuhwa

AUTHORHOUSE, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The links between manpower management, financial control and information management systems are clearly defined in Business Management (A Brief Expose) where an analysis of budgeting for manpower needed for production and marketing; basic steps in accounting procedures; and stages in data processing are expounded. It is realised that whereas the factory processes raw materials and produces goods for sale, a data processing department processes basic data and produces basic business documents and control information for management to keep them informed of events within the business. This enables them to coordinate different activities of the organisation s functional groups and to control the day-to-day transactions and be in a position to take whatever corrective action is necessary to achieve the objectives of the particular business. Furthermore, an efficient data processing system makes it possible to adjust the situation before it goes out of hand by adjusting income distribution and combating organisation inefficiency. With carefully structured data processing systems, a general method can be established for decision-making or policy-making in individual cases of manpower recruitment and development; investment projects; and...
