Lark. 1 Paperback(s), 2004. soft. Book Condition: New. A visual treat as well as inspiration for your most ambitious inner cupcaker, this book collects three dozen cupcake projects—some straightforward (Chocolate Cabernet Cupcakes) and some rather ambitious (a Cupcake Solar System, complete with stars and UFOs). Here too are Apple Delight Cupcakes, Butterfly Cupcakes, Winter Spice Cakes with snowflakes, and a bouquet of petal-topped cupcake "flowers" in a cake and fondant "vase." Along with the projects are a number of basic recipes and lessons on baking with nuts, fruit, spices, and chocolate; using fruit glazes and decorative sugars; and making your own pastry bag."The chocolate recipes are consistently impressive: Miller's Chocolate Sour Cream Frosting is good enough to eat by the spoonful, and her Chocolate Buttermilk Cupcakes are tangy and moist. A multitude of decorative techniques including chocolate cages, fondant and candied flowers. (All of these are clearly demonstrated with photographs and step-by-step instructions.) An excellent choice for . delicious, upscale cupcakes."Publishers Weekly 144.
