Sunbury Press, Inc., United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Two boys trapped in a collapsing coal mine, embraced only by pitch-black darkness and the sickening squeal of timber being slowly crushed--how could anyone find humor in such a situation? Well, George s Priority, the first little story in A Pale Horse and 40 Other Tales, does. And how could a sprout from an old sassafras stump give a life lesson from father to son? Again, a little story-titled Sassafras -just might do it. What of the statuesque woman whose siren-like scream of DON T TOUCH ME, stopped a wedding reception cold? Even the orchestra, shocked by the scream, stopped! What was her problem? What became of her? Perhaps Don t Touch Me might answer those questions. To Kill A Friend is a story of how beauty often attracts the ugliest of acts. It is one of the few stories in A Pale Horse and 40 Other Tales that is not a happy story. Most of the others stand a good chance of making you smile.
