God Bless America It s as much at home being sung in stadiums packed with thousands of sports fans as it is in churches filled with reflective audiences. Regardless of the setting, God Bless America has fittingly become our nation s prayer and rallying cry since the events of September 11, 2001. God bless America, land that I love. Stand beside her, and guide her Through the night with a light from above. From the mountains to the prairies To the oceans white with foam, God bless America, my home, sweet home. God bless America, my home, sweet home. This solemn prayer for America has already been answered in countless ways and in millions of lives. We are so blessed to live, laugh, and love in freedom--freedom to enjoy all that our hearts hold so dear. God has generously blessed our nation, from the peaceful Pacific that bathes our western shores to the restless Atlantic in the east; from the massive Great Lakes in the north to the Gulf of Mexico in the south. The unique cities and towns that dot our land, the rolling hills, the spacious plains, the majestic mountains, and the colorful deserts all make up what we lovingly call America. Truly this is our home, sweet home. We are a diverse population, gathered from the four corners of the earth, working together to make America a unique and unparalleled nation in which to live. Approaching our country through New York Harbor and passing by Lady Liberty that has stood for more than a century, one can see the message she displays: Give me your tired, your poor, your huddled masses yearning to breathe free
