

Coding Computer Games with Scratch (Help Your Kids)

By Dk

DK Children. Paperback. Condition: New. 224 pages. Coding computer programs is one of the most valuable skills for anyone to have. Written for children with little to no coding experience, Coding Computer Games with Scratch guides children through building platform games, puzzles, racers, and 3-D action games. Schools have incorporated computer coding into their curriculum, beginning as early as kindergarten to ensure students understand the languages and uses of computer coding. The step-by-step guides are simple and easy to follow with Minecraft-style pixel art. Children will learn essential coding skills while having fun and creating games to play with their friends. The many different styles and types of games are covered, such as classic and arcade games. When people learn to code in Scratch, they learn important strategies for solving problems, designing projects, and communicating ideas. Coding Computer Games with Scratch empowers children to be creative and to have fun while teaching them practical real-life skills. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
