Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.There is a beautiful belief that journalists may do exactly as they please, and whenever they please. Pleasure with violet eyes was in Chicago. My passport describes me as a journalist. My employer said: Go to Jerusalem. I went, that was in 1920. I had been there a couple of times before the World War, when the Turks were in full control. So I knew about the bedbugs and the stench of the citadel moat; the pre-war price of camels; enough Arabic to misunderstand it when spoken fluently, and enough of the Old Testament and the Koran to guess at Arabian motives, which are important, whereas words are usually such stuff as lies are made of. El Kudz, as Arabs call Jerusalem, is, from a certain distance, as they also call it, shellabi kabir. Extremely beautiful. Beautiful upon a mountain. El Kudz means The City, and in a certain sense it is that, to unnumbered millions of people. Ludicrous, uproarious, dignified, pious, sinful, naively confidential, secretive, altruistic, realistic. Hoary-ancient and ultra-modern. Very, very proud of its name Jerusalem, which means City of Peace. Full to the brim with the malice of certainly fifty religions, fifty races, and five hundred thousand curious political chicaneries disguised as plans to save our souls from hell and fill some fellow s purse. The jails are full.
