Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.I must learn how to detox myself from the negatives of the world; the gloom and doom thoughts of evil; the way I perceive my life; the destructive battering of verbal abuse; my not so comforting eating habits; and my own self absorbed, I have to be in control of everything. God is a God of peace, not confusion. I know I am not the only one in need of this kind of intrusion. God woke me up with this book in my heart. We set the course for our own demise just by how we think. As a man thinks in his heart, SO HE IS. It is scary. I might seem all calm, collected and totally cool. But the truth of the matter is, I am living in this sinful world too. We can learn to live above the chaos. We can learn to love who we are and who we are meant to be. But it starts with the right kind of perception and getting rid of the poison. The thoughts and actions of today, determines our every tomorrow!.
