Xulon Press, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Endorsements A beautiful story of redemption. Laugh and cry with Gabby Abby the lamb and Rowdy Ruby the calf, as they seek a miracle for their farm and their beloved farmers Ace and Grace. Well-written, entertaining, and full of truth: if you love farming naturally, this is the book to share with your children. A farm story for all ages. - Sheri Salatin, Polyface Farm, March 2017 First off this book is really good, readable, and fun! Secondly it is so important, more than anyone realizes, that we inform our children about the hazards of using toxic chemicals on our food. This little book does it with humor, positivity and hope. What a joyous story with a wonderful message. Well done! -Dr. C. Ruth Kempf, Emeritus Professor of Physics, East Carolina University, July 2017 I love this book because it shows how teamwork can help solve problems. With God, nature, and the farm animals working together, they saved Montgomery Farm. - Callie B., age 10, Phoenix, AZ, April 2017 As a mom, I love that this book teaches my children the importance of healthy eating and choosing organic options. But this book is so much more than that. It's a sweet story with characters who are easy to fall in love with while they touch on other crucial life lessons like money, team work, and the power of prayer. -Lauren Grace DeSantis, wife and mother, July 2017 I LOVE LOVE LOVED this book. It had one of God's best messages in it that things might be awful but you need to trust in Him that in the end things will turn out alright. -Amanda B., age 10, Ardmore, AL July 2017.
