Eraserhead Press, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.J. Claude Caruthers is country music's biggest star and Kenny Rogers' worst nightmare. Now, J. Claude hasn't slept for weeks. His insomnia comes courtesy of his quest to complete Nashville's most ambitious project: Caruthers is writing a love song for every woman's name on Earth. But since getting stuck on the last name in the book, Zygmunt, Caruthers' life has been miserable. Life gets much worse when his estranged brother, Lloyd, inadvertently creates a black hole in a top-secret physics lab. Lovesick and lonely, Lloyd sets out to reconnect with his brother and find love before the world ends. As the black hole swallows the planet, the brothers discover that only one person who can stop the apocalypse and help J. Claude finish his songwriting odyssey is their missing sister, Zygmunt. Told through a kaleidoscope of perspectives that include the Caruthers brothers, J. Claude's guitar, a club sandwich, and even the angry, foul-mouthed particle that birthed the black hole, Patrick Wensink's *Black Hole Blues* is a hilarious double helix of country music and physics.
