Brand New Book ***** Print on Demand *****.Excerpt from *The Verney Family During the Civil War, Vol. 1* In 1845 Mr. Bruce edited for the Camden Society Notes of Proceedings in the Long Parliament, from the jottings of Sir Ralph Verney, and in 1853 he followed them up by a volume of Letters and Papers of the Verney Family reaching down to the end of the year 1639, published by the same Society. The extraordinary value of the collection of MSS. preserved at Claydon House thus became sufficiently known, but though Mr. Bruce contemplated the preparation of another volume, he had not taken any steps towards it at the time of his death. The great mass of the papers was still in disorder, and much had to be done before progress could be made in this direction. Not long after her marriage, which took place in 1858, the late Lady Verney's attention was attracted to the treasures contained in the house. Some of the numerous portraits were stacked in outhouses, one of them being fastened over a hole to keep out rats. These she arranged, and with the help of descriptions in old lists managed to identify most of the subjects.
