Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The New Colony of Port Natal: With Information for Emigrants; Accompanied With an Explanatory Map, by the Government Official Surveyor Smcni the Author of this Work returned to Natal, his adopted country, the Publisher has received, from several quarters, applications for more copies, which has induced him to put to press a Second Edition. There is now added an Explanatory Map - the most ample and correct of any which has yet been printed. The publication of the Pamphlet originated in the desire to give varied and useful Information on this new but rising Colony; not wishing, by any of its statements, to lure away any parties from their fatherland, who already have a competency, with every social comfort. Persons, in such temporal circumstances, have no call, either from reason or providence, to emigrate to a foreign land. But there are many who, from various causes, are now suffering under the pressure of temporal embarrassment, and are most anxious to gain accurate information in reference to our numerous Colonies. To meet such enquiries, the following miscellaneous notices about Natal are placed in the hands of the reader. From the testimony of many, its statements and suggestions have been received with gratitude by those who are interested in this subject.
