The assignment also offers Ben the chance to be near Lord Westerham's middle daughter, Pamela, whom he furtively loves. But Pamela has her own secret: she has taken a job at Bletchley Park, the British code-breaking facility. As Ben follows a trail of spies and traitors, which may include another member of Pamela's family, he discovers that some within the realm have an appalling, history-altering agenda. Can he, with Pamela's help, stop them before England falls? Inspired by the events and people of World War II, writer Rhys Bowen crafts a sweeping and riveting saga of class, family, love, and betrayal.
