Certainly, this is the greatest work by any author. It can be written in easy words and phrases rather than confusing. I am just happy to let you know that this is actually the greatest ebook we have studied inside my individual daily life and may be the greatest ebook for at any time.

William Dean Howells (March 1, 1837 - May 11, 1920) was an American realist novelist, literary critic, and playwright, nicknamed The Dean of American Letters. He was particularly known for his tenure as editor of The Atlantic Monthly, as well as for his own prolific writings, including the Christmas story Christmas Every Day and the novels The Rise of Silas Lapham and A Traveler from Altruria. Early life and family: William Dean Howells was born on March 1, 1837 in Martinsville, Ohio (now known as Martins Ferry, Ohio) to William Cooper Howells and Mary Dean Howells, the second of eight children. His father was a newspaper editor and printer who moved frequently around Ohio. In 1840, the family settled in Hamilton, Ohio, where his father oversaw a Whig newspaper and followed Swedenborgianism. Their nine years there were the longest period that they stayed in one place. The family had to live frugally, although the young Howells was encouraged by his parents in his literary interests. He began at an early age to help his father with typesetting and printing work, a job known at the time as a printer s devil. In 1852, his father arranged to have one of his poems published in the Ohio State Journal without telling him. Early career: In 1856, Howells was elected as a clerk in the State House of Representatives. In 1858, he began to work at the Ohio State Journal where he wrote poetry and short stories, and also translated pieces from French, Spanish, and German. He avidly studied German and other languages and was greatly interested in Heinrich Heine. In 1860, he visited Boston and met with writers James Thomas Fields, James...
