CASCADE BOOKS, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Metaphysics and the Modern World makes the abiding questions of the nature of the self, world, and God available for the modern reader. Donald Phillip Verene presents these questions in both their systematic and historical dimensions, beginning with Aristotle's claim in his Metaphysics that philosophy begins in wonder. The first three chapters concern the origin of metaphysics as the transformation of the conception of reality in ancient Greek mythology, the ontological argument as the basis of Christian metaphysics, and the Renaissance cosmology of infinite worlds and the coincidence of contraries. The final four chapters present the central issues of the metaphysics of history through the New Science of Vico, the principle of true infinity of Hegel's Logic, the dialectic of spirit and life in Cassirer's Metaphysics of Symbolic Forms, and the conception of actual entities and God in Whitehead's Process and Reality. In these discussions, the reader will find a lively and learned account of a field of philosophy that is often thought difficult to access, but in this work becomes most accessible and a pleasure to read. This book worthily complements Donald Verene's Moral Philosophy and the Modern World. Reading these works of Verene has a restorative effect in a philosophical sense. We find an invigorating witness to a properly measured confidence in the vocation of philosophy. This current book does not disappoint one on this score. Against often thoughtless rejections and misconceived critiques of metaphysics, this book renews the ancient and ever new perplexities of philosophy. It does this by mindful engagement with a group of great thinkers, ancient and modern, who have been companions in Verene's own participation in the long conversation of the philosophical...
