Most people with chronic health complaints visit their doctors to be prescribed medications that are often taken for life. These have significant side effects and never address the reasons for the illness. Conventional medicine rarely looks into the causes of high blood pressure, diabetes, heart disease, arthritis, and cancer. Its as if it doesnt really matter what caused it. But you know it does. You will find, by reading this treasury of information, answers to why illness develops and natural solutions to reversing eighty-eight chronic health concerns. There is one truism I have learned after thirty-eight years of medical practice: For whatever condition a drug is prescribed to treat an illness, there is always a natural remedy that will work just as well or better and with far fewer side effects. This is something you will also learn from this book. You can be your own doctor, and this book will show you how. Whatever health challenges are facing you, please read this book before resorting to a lifetime of dangerous drugs and other questionable conventional treatments (Zoltan P. Rona, MD, M. Sc. , Holistic Medical Doctor) This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
