

Las huellas del camino. Pensamientos para el Camino de Santiago

By Castro Miramontes, Francisco Javier

Ediciones San Pablo, 2010. soft. Book Condition: New. Encuadernación: rústica Colección: Materiales litúrgico-pastorales El Camino de Santiago es esencialmente una experiencia única e irrepetible, en la que cada peregrino tiene su propio itinerario irrenunciable e incommunicable, puesto que la peregrinación es ante todo una experiencia interior, espiritual, un encuentro o reencuentro con uno mismo. Este libro contiene un conjunto de sencillos pensamientos traducidos a tres idiomas (italiano, inglés y francés) que tratan de alentar, a lo largo de treinta días, el corazón en el camino de la vida, para tratar de avivar así la esperanza y de ayudarnos a mejorar como personas comprometidas a favor del bien universal. Francisco J. Castro Miramontes, sacerdote franciscano, Licenciado en Derecho Civil y Canónico y Diplomado en Sagrada Escritura, dirige y presenta desde 1999 el programa socio-religioso «Día Santo» de la cadena Radio Galega. Compagina su actividad de comunicador con una extensa labor social, colaborando en campañas de sensibilización y financiación de diversos proyectos sociales. Es también delegado de Justicia y Paz de la orden franciscana y responsable del Hogar de Espiritualidad San Francisco de Asís, para la acogida de peregrinos, en Santiago de Compostela. Es autor de varias obras de espiritualidad.

Reviews

Undoubtedly, this is the finest job by any article writer. it had been writtern very perfectly and beneficial. Its been printed in an exceedingly simple way in fact it is only following i finished reading this ebook by which basically modified me, modify the way in my opinion.

-- Lane Dicki

Without doubt, this is actually the best job by any publisher. It is writter in basic phrases instead of difficult to understand. You will like the way the author publish this publication.

-- Dr. Marvin Deckow
