The Tiny Travelers Joke Book is designed for children of all ages. Have you ever hunted Bear? No, but I have fished in my underwear. They will spend hours laughing and telling jokes to their family and friends. The Tiny Travelers book series is designed for all children to help pass the time. This is especially helpful in airports, long flights or just sitting in the back of the old station wagon. I have been on many a road trip over the years, and I knew I was the happiest when my children were being entertained. The Tiny Travelers Book Series was designed with this in mind.
