Excerpt from How to Live on Twenty-Four Hours a Day This preface, though placed at the beginning, as a preface must be, should be read at the end of the book. I have receive a large amount of correspondence concerning this small work, and many reviews of it - some of them nearly as long as the book itself - have been printed. But scarcely any of the comment has been adverse. Some people have objected to a frivolity of tone; but as the tone is not, in my opinion, at all frivolous, this objection did not impress me; and had no weightier reproach been put forward I might almost have been persuaded that the volume was flawless!
