The report for 1897 (a), published in 1899, was the first to appear under this new regime. The reports for the years 1891 to 1S97, inclusive, do not cover disputes in the agricultural, forestry, and mining industries. Since 1898, however, the mining industry has been included, and the report for that year contains not only the detailed statistics of strikes and lockouts in the mining industry for the years 189-4 to 189S, but also a summary of all strikes and lockouts for these years, with the statistics of mine disputes included. As now published, the Austrian reports on strikes and lockouts contain a scribes of six...
