THE SNOW BABY: A TRUE STORY WITH TRUE PICTURES (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A review from Kindergarten Review, Volume 12: Many young children have become so well acquainted with Agoonack, the typical little Eskimo girl, that they are prepared to give an understanding welcome to this true story of the Peary baby, with its pictures taken from life and from the scenes described. The welcome will not be regretted upon further acquaintance with the book, for it tells a happy, graphic story of the Snow Baby's life in the northern land that will fascinate many a child reader. Through sympathetic interest, first in little Marie in the strange country with its long night, and then in Billy-bah -the twelve-year-old Eskimo girl who came to America on a visit - in the (to her) strange country of short days and short nights, the children will gain much more than the geographical knowledge which this book gives them so vividly. Whoever reads The Snow Baby aloud for a child's pleasure, will find himself reading for his own pleasure, too, before many leaves have been turned. The profuse supply of pictures and the clear black print of the book give it additional attraction. She explained the Esquimaux term for The Snow Baby, which is Aphoomikaninny, and gives an account of the strange huts of skin and wood in which they live, of the dogs and queer animals which...
