The Ultimate Guide to Learn Amazon Tap Fast (Amazon Tap, user manual, smart devices, web services, digital media, amazon digital services) As an addition to Amazon s Echo, Echo Tap takes the Alexa virtual assistant service and merges it nicely with a portable Bluetooth speaker. As a speaker, Tap has a runtime of 9 hours, plenty of time for a day at the beach. Tap features Dual 1.5-inch drivers that contain dual passive radiators for the optimum bass extension and the device has full WiFi capability. The Tap solves one of the main problems some have had with the Echo by making it a portable version of the Alexa service. Alexa is like having a digital assistant at every beck and call. One that can answer almost any question under the sun, provide movie locations/hours, the latest weather and sports, not to mention the capability to play personalized tunes through a streaming service or a mobile device. Users are so impressed with the service that many have purchased multiple Echo devices and made pre-orders for the new Dot and Tap devices. With all the impressive features provided by these devices, there really isn t a wrong answer, only which device is going to be just right. In this book you will learn: Introducing Amazon Tap Hardware, Charging and Connecting to WiFi Setup, Features, and Pairing Voice Control Music on Tap Flash briefing Other Information Troubleshooting Download your copy of Amazon Tap by scrolling up and clicking Buy Now With 1-Click button.
