Reviews

These sorts of pdf is the greatest ebook offered. We have study and that i am sure that i will going to study once more once more in the future. Its been printed in an remarkably simple way and it is only after i finished reading through this pdf through which in fact transformed me, affect the way i believe.

Pub Date :2000-01-01 Pages: 276 Publisher: China Textile Press Information title: Polymer Physics universities Polymer Materials and Engineering Professional series of textbooks original price: 35.00 yuan Author: Bo-Run Liang editor. Qu Fengzhen the compiled Press: China Textile Press Publication Date :2000-1-1 ISBN: 9787506415569 Words: 393.000 yds: 276 Edition: 1 Binding: Paperback: Weight: Editor's Choice tttt SUMMARY book polymer structure and performance the main line. from the point of view of molecular motion described the relationship between the two systems. The main polymer chain structure and aggregation structure. the molecular motion of the polymer. and the polymer solution properties. rheological properties. mechanical properties. electrical properties. optical and magnetic properties. Book Department of Textile universities polymer materials and engineering textbooks for reference also available to students of other professional and scientific and technical personnel engaged in the production and research of polymer materials. tt Contents Chapter polymer chain structure of the first polymer structure the concept. the characteristics of the polymer structure. a level the proximity of the second polymer chain structure of the polymer structure. the structural unit of the chemical composition of two . bonded structure. the configuration of four of the molecular chain. branched and crosslinked V. Section polymer chain remote structure. the structure of the copolymer. and the size and distribution of a polymer two polymer chain conformation. Section IV of flexibility of polymer chains of the polymer chain conformational statistics are square end-to-end distance geometry calculations. Kuhn statistical method mean square end-to-end distance of the polymer chain mean square radius of gyration IV. polymer The chain flexibility quantitative characterization of five. Section I of the crystalline structure of the wormlike chain exercises Questions Appendix polymer polymer...
