Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.For the first time in United States History the public will be exposed to the systemic corruption in the United States Department of Justice, specifically, the Federal Court system through the view of a pro-se prisoner advisor. Thomas Cunningham, an innocent accused Federal pretrial detainee was brutally beat by his captors prior to the formal adjudication of guilt in his criminal case for his request to read a law Book . Since that horrific beating Cunningham has obtained the release of 13 Federal prisoners, including 42 remands in criminal cases as a result of his self-taught legal skills, only by the grace of God. Societies Revenge chronicles in real time 4 high profile cases Cunningham is currently representing in Federal Court David Samuel Martinez-Velez and Abelardo Munera-Cadavid are condemned to die in prison. Mitchell Scott Johnson will forever be condemned for his participation in the worst mass school shooting to date, he is scheduled for release in the fall of 2014. David Hernandez in the photograph below, after serving most of his adult life, caged in a United States Penitentiary is now a free man. These condemned men are my friends, they demonstrate on a daily basis what unconditional love and courage truly means through their staunch commitment to do God s will. While they desperately seek redemption in a lost world, Society is inflicting it s Revenge. This book will forever remind my beloved readers that nothing, absolutely nothing happens in God s world by mistake.
