Reviews

Just no words to explain. Indeed, it is actually play, nevertheless an amazing and interesting literature. Its been written in an exceptionally simple way and is particularly simply following i finished reading through this ebook by which in fact altered me, alter the way in my opinion.

(Leilani Rippin)

MARDI GRAS TREASURES: NOTECARDS

Pelican Publishing Co, United States, 2001. Miscellaneous print. Condition: New. Language: English . Brand New Book. The glimmering processions of the masked gods and bearded kings of New Orleans Carnival occupy a central position among the rites and glories of this great festival. The long succession of these glowing, torch-lit pageants--with their towering monsters and fantastic decors, their papier-mi1/2chi1/2 kingdoms and diamond-dust thrones--became the greatest and most beloved of New Orleans communal rituals. The fantastic parade floats of Carnival s Golden Age (1870-1930) illustrated themes drawn from mythology, epic literature, history, nature, and whimsy. Presented in this collection are thirty dazzling examples of original float designs as rendered in watercolor and lithographs--most of them reproduced here for the first time.
