Reviews

This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.

AT HOME WITH FRENCH

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, At Home with French, Janet Irwin, At Home With French is a fun activity workbook for children, aged 5-7 years, to do at home. Using different themes and a variety of tasks such as colouring, drawing, copying, and writing, children learn the French words for colours, days of the week, numbers, and the song, Frere Jacques. The fun illustrations encourage using a pencil in a controlled way and improves hand-eye coordination. The illustrated step-by-step activities are simple enough for children to work through on their own, or equally perfect to do together with an adult giving encouragement. Useful tips support adults so that they can encourage learning gently - plus there are more than enough funky stickers to reward your child as they complete each activity! This book is ideal to build early confidence in French.
