PREVENTION OF HIV/AIDS AND DRUG ABUSE

[DOWNLOAD](#)

2003. Hardcover. Book Condition: New. 300 Today, beyond the range of any previous global epidemic, human immunodeficiency virus (HIV) infection, the cause of acquired immune deficiency syndrome (AIDS), has reached the proportions of a pandemic, having infected millions and promising to infect millions more. In many developing countries the HIV / AIDS epidemic is spreading rapidly. The present book focuses on the association between drug use and HIV infection and addresses the challenges that professionals and policy makers must confront in shaping national and local policies, developing and implementing preventive polices and providing treatment and rehabilitative services. It is also aimed at governmental and non-governmental organizations and those involved in the planning, coordination and implementation of strategies and programmes for HIV prevention among injecting drug users. About The Author:- A recognized Physician and Science writer Dr. G.C. Satpathy, also recipient of several national awards and presidents Police Medal for Meritorious Service.
