University Press of Kansas. Paperback. Book Condition: new. BRAND NEW, Place Matters: Metropolitcs for the Twenty-First Century (3rd Revised edition), Peter Dreier, John Mollenkopf, Todd Swanstrom, How can the United States create the political will to address our major urban problems--poverty, unemployment, crime, traffic congestion, toxic pollution, education, energy consumption, and housing, among others? That's the basic question addressed by the new edition of this award-winning book. Thoroughly revised and updated for its third edition, Place Matters examines the major trends and problems shaping our cities and suburbs, explores a range of policy solutions to address them, and looks closely at the potential political coalitions needed to put the country's "urban crisis" back on the public agenda. The problem of rising inequality is at the centre of Place Matters. During the past several decades, the standard of living for the American middle class has stagnated, the number of poor people has reached its highest level since the 1960s, and the super-rich have dramatically increased their share of the nation's wealth and income. At the same time, Americans have grown further apart in terms of where they live, work, and play. This trend--economic segregation--no longer simply reflects the racial segregation between white suburbs and minority cities. In cities and suburbs alike, poor, middle class, and wealthy Americans now live in separate geographic spaces. The authors have updated the case studies and examples used to illustrate the book's key themes, incorporated the latest Census data, and drawn on exit polls and other data to examine the voting patterns and outcomes of the 2012 elections. They have expanded their discussion of how American cities are influenced by and influence global economic and social forces and how American cities compare with their counterparts in other parts of the world. And they draw upon the...
